Thank you for purchasing this NOMA product. Please read the instructions and warnings carefully before use to ensure safe and satisfactory operation of this product.

This product is compatible with out other product codes:

6121005 6121006 6121007 6121009 6121021

It is recommended that at least two people assemble this product.

1. **Secure the cleat with the enclosed screws to the pole with predrilled holes.**
2. **Assemble the pole parts together, ensuring the pole with the cleat is the second pole from the bottom.**
3. **Screw the metal finial into the truck and secure it from below using screw nut.**
4. **Stick the truck and finial assembly on to the top flagpole and secure it using the countersunk screw.**
5. **Thread the rope through the truck pulley system and tie the ends in a knot.**
6. **Mount the flag into the ground pole and ensure the pole is straight and not standing at an angle.**
